Part II Organizational Action Attach additional statements if needed. See back of form for additional questions.

14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ▶ During the year to date ended January 30, 2019, Seaspan Corporation declared the following cash distributions per share to the Series D preferred shareholders of record as of the dates specified below:

\$0.496875 per share held as of January 29, 2019

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ▶ Dividends paid in excess of the current and accumulated earnings and profits of a corporation reduce the basis of the shares of the corporation pursuant to Internal Revenue Code 301(c)(2) and 316(a).

The current and accumulated earnings and profits of Seaspan Corporation is less than the cash distributions declared and paid to date. As a portion of the distributions is in excess of earnings and profits, the basis of each share held as of the date of record should be reduced as follows:

\$0.436548 per share held as of January 29, 2019

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ▶ Based on Seaspan Corporation's current and accumulated earnings and profits, a portion of the distributions per share were paid out of current and accumulated earnings and profits as follows and are allocated in order of cash distributions:

\$0.060327 per share held as of January 29, 2019

The remaining cash distributions should reduce the basis of each share held by each shareholder as of the date of record as described in section (15) above.

Part II Organizational Action (continued)

17 List the applicable Internal Revenue Code section(s) and subsection(s) upon which the tax treatment is based ▶ IRC 316 and 301(c)

18 Can any resulting loss be recognized? ▶ For US federal income tax purposes, the distributions will not result in any tax loss for any Series D preferred shareholder of Seaspan Corporation.

19 Provide any other information necessary to implement the adjustment, such as the reportable tax year ▶ The reportable tax year is 2019.

Shareholders as of the following dates of record should reduce the basis of each share held as of those dates, by the following amounts per share:

\$0.436548 per share held as of January 29, 2019

Under penalties of perjury, I declare that I have examined this return, including accompanying schedules and statements, and to the best of my knowledge and belief, it is true, correct, and complete. Declaration of preparer (other than officer) is based on all information of which preparer has any knowledge.
