

Policy: Health & Safety Policy

All ship & shore staff shall implement this policy to ensure we operate in a 'safe, reliable & economic' manner.

Note: Seaspan Ship Management Ltd. (SSML) implements a 'Safety Management System'

- 1) The Safety Management System (SMS) has the following aims and objectives:
 - a) Provide safe working practices
 - b) Provide a safe working environment
 - c) Set up risk control measures
 - d) Improve the SMS continually
- 2) We will achieve 'aims and objectives' through:
 - a) Set up controlled, documented procedures
 - b) Provide guidance for safe operations
 - c) Provide a safe work environment & reduce risk
 - d) Provide suitable & sufficient resources & training
 - e) Raise awareness about injury & incident prevention
 - f) Conduct shipboard & shore side drills
- 3) We will evaluate the effectiveness of the SMS by:
 - a) Shipboard & shore side audits & inspections
 - b) Reviewing the SMS continually to align with regulation & standards

Note: SSML will not compromise for commercial gains
