

Policy: Occupational Health & Safety (OH&S) For Contractors

Responsibility:

All contractors & visitors shall implement this policy to ensure we operate in a 'safe, reliable & economic' manner.

Note: Seaspan Ship Management Ltd. (SSML) implements a 'Safety Management System' & an ISO 45001 (OH&S) Standard

- 1) The SMS & OH&S system have the following aims and objectives:
 - a) Provide safe working practices
 - b) Provide a safe working environment
 - c) Set up risk control measures
 - d) Improve the SMS & OH&S system continually
 - e) Ensure our Managements commitment to Safety & improvements
- 2) We will achieve 'aims and objectives' through:
 - a) Comply with legal & other requirements
 - b) Set up controlled, documented procedures
 - c) Provide guidance for safe operations
 - d) Communicate effectively with all employees & contractors
 - e) Provide a safe work environment & reduce risk
 - f) Provide suitable & sufficient briefings prior to starting any work
 - g) Raise awareness about injury & incident prevention
 - h) Make this policy available to any contractor
 - i) Receipt of feedback from contractors
 - j) Receipt of specific OH&S risks from contractors & vendors
- 3) We will evaluate the effectiveness of the SMS & OH&S by:
 - a) Shipboard & shore side audits & inspections
 - b) Reviewing the system continually to align with regulation & standards

Note: SSML will not compromise for commercial gains
